DOWNTOWNDENTAL

## Parking at Downtown Dental

Parking is available at Downtown Dental. We have six spots in the alley located behind the building in the alley between 1ˢᵗ and 2ⁿᵈ Ave.

Our spots are marked with a Downtown Dental logo. We have the first six spots from 1ˢᵗ Ave located behind the building on the same side as Downtown Dental (or the side with the two staircases).

If those spots are full, we offer validated parking at the Premier Parking Garage located on 2nd and Church.

To Validate Parking at Premier Parking:

1. You MUST go to a pay station. If you scan the QR code, parking will not be validated.
2. You will need your license plate number. That will be the first thing you will type into the pay station.
3. Different pay rates will pop up. You will have to select additional options, and then select Downtown Dental.
4. To validate parking, you will have to type in the code from the office. If you do not have the code, call 615-254-1393 to get the code.
5. A receipt will print, and you need to display that on you dash.
6. If you have any questions, please feel free to call the office at 615-254-1393.
